Section 1

Supplemental guidance for

- Option 1 – Working with an Application Packager
- Option 2 – Applying Online via eForms.

Working with an Application Packager

What is an application packager?

An application packager provides an optional service to an applicant seeking a housing loan by helping to navigate the loan and/or grant application process. A packager can help determine if the Section 504 Home Repair Program is a good fit and, if so, help to assemble a complete application package.

Application packaging fees can generally be included in the Rural Development loan or grant. Packagers do not work for or represent Rural Development. **Applications delivered through a packager receive priority processing and funding.**

How do I file an application with the guidance of an application packager?

To locate an application packager, you can contact a packager from the attached list of local packagers in your area (if applicable).

Option 2 - TRANSMITTING SINGLE FAMILY HOUSING DIRECT APPLICATIONS VIA EFORMS

SFH Home Repair program.

Single Family Housing Repair Loans and Grants

What does this program do?

Also known as the Section 504 Home Repair program, it provides loans to very-low-income homeowners to repair, improve, or modernize their homes, or provides grants to elderly, very-low-income homeowners to remove health and safety hazards.

Who can apply for this program?

To qualify, you must:

- **Be the homeowner and occupy the house**
- **Be unable to obtain affordable credit elsewhere**
- **Have a family income within the very-low-income limit**
- **For grants, be age 62 or older and not be able to repay a repair loan**

What is an eligible area?

Properties must be located in an eligible rural area. You can visit the USDA Income and Property Eligibility website (available at this link: <https://go.usa.gov/xzcdM>) for complete details.

How can funds be used?

- Loans can be used to repair, improve, or modernize homes, or to remove health and safety hazards.
- Grants must be used to remove health and safety hazards.

How much money can I get?

- Maximum loan is \$40,000.
- Maximum grant is \$10,000.
- Loans and grants can be combined for up to \$50,000 in assistance.

What are the terms of the loan or grant?

- Loans are repaid over 20 years.
- Loan interest rate is fixed at 1 percent.
- Full title service is required for loans greater than \$25,000.
- Grants have a lifetime limit of \$10,000.
- Grants must be repaid if the property is sold in less than three years.

- If applicants can repay part - but not all - of the costs, they may be offered a loan and grant combination.

Is there a deadline to apply?

Applications are available year-round as long as funding is available, and are processed in the order they are received.

How long does an application take?

Approval times depend on funding availability in your area. Talk to a state or area office-based USDA home loan specialist (a map is available at this link: <https://www.rd.usda.gov/browse-state>) for help with your application.

How do I get started?

Contact a USDA home loan specialist (information is available at this link: <https://www.rd.usda.gov/browse-state>) in your area.

What governs this program?

- The Housing Act of 1949 as amended; 7 CFR, Part 3550 (available at this link: <https://go.usa.gov/xzcvG>)
- HB-1-3550 - Direct Single Family Housing Program Field Office Handbook (available at this link: <https://go.usa.gov/xzcvM> - PDF)

NOTE: Because citations and other information is subject to change, always consult the program instructions listed in the section above titled “What Governs This Program?” You can also contact your local office for assistance (a list is available at this link: <https://go.usa.gov/xzjP7>). You will find additional forms, resources, and program information at rd.usda.gov. *USDA is an equal opportunity provider, employer, and lender.*

Note: To be eligible for a Section 504 Home Repair program, applicants must demonstrate that they are reasonably able and willing to repay an Agency loan. An applicant's credit record does not have to be perfect; a few instances of credit problems can be acceptable if an applicant's overall credit record demonstrates an ability and willingness to repay obligations. (An applicant with an outstanding judgment obtained by the United States in a Federal court, other than the United States Tax court, is not eligible for a Section 504 loan or grant. This requirement is statutory and cannot be waived.)

Exhibit 4-4 Indicators of Unacceptable Credit

- Little or no credit history. The lack of credit history on the credit report may be mitigated if the applicant can document a willingness to pay recurring debts through other acceptable means such as third party verifications or canceled checks. Due to impartiality issues, third party verifications from relatives of household members are not permissible.
- Payments on any installment account, on a per account basis, where the amount of the delinquency exceeded one installment for more than 30 days within the last 12 months.
- Payments on any revolving account, on a per account basis, which was delinquent for more than 30 days on two or more occasions within the last 12 months.
- A foreclosure that has been completed within the last 36 months.
- An outstanding Internal Revenue Service (IRS) tax lien or any other outstanding tax liens with no satisfactory arrangement for payment.
- Two or more rent or mortgage payments paid 30 or more days late within the last 2 years. If the applicant has experienced no other credit problems in the past 2 years, only 1 year of rent history will be evaluated. This requirement may be waived if the program loan will reduce shelter costs significantly and contribute to improved repayment ability.
- Outstanding collection accounts with a record of irregular payments with no satisfactory arrangements for repayment, or collection accounts that were paid in full within the last 6 months, unless the applicant had been making regular payments previously.
- Non-Agency debts written off within the last 36 months, unless the debt was paid in full at least 12 months ago.
- Agency debts that were debt settled within the past 36 months, or are being considered for debt settlement.
- Delinquency on a federal debt.
- A court-created or court-affirmed obligation or judgment caused by nonpayment that is currently outstanding or has been outstanding within the last 12 months, **except**:
 - ◇ A bankruptcy in which:
 - ◇ Debts were discharged more than 36 months prior to the date of application; or
 - ◇ Where an applicant successfully completed a bankruptcy debt restructuring plan and has demonstrated a willingness to meet obligations when due for the 12 months prior to the date of application.
 - ◇ A judgment satisfied more than 12 months before the date of application.

An applicant with an outstanding judgment obtained by the United States in a Federal court, other than the United States Tax Court, is not eligible for a Section 502 loan. This requirement is statutory and cannot be waived.
