

Village of Solomon (VOS)  
JOB AVAILABLE

Position: Water Quality Field Expert, Seasonal Part Time  
Up to 20 hours/week, May-October. Training provided  
Rate of Pay: \$27/hour, no benefits included

The purpose for water quality sampling is to conduct a baseline of water quality data for the VOS tribe which is funded under the Environmental Protection Agency's Indian General Assistance Program (IGAP) grant.

Job Duties include:

Work directly from the Village of Solomon's Indian General Assistance Program (IGAP) work plan with the Administrative Environmental Coordinator.

Attend water quality trainings as they become available (May/June TBD).

Make sure all adequate supplies are purchased in order to complete all water sampling activities.

Follow approved Water Quality Monitoring Quality Assurance Project Plan (QAPP). Make any suggestions for revision on QAPP if needed.

Conduct Water Quality sampling activities identified in the EPA approved QAPP.

Ability to communicate effectively to VOS Administrative staff & Tribal Council regarding field work for quarterly reports to EPA and monthly reports to Council.

This position requires a valid driver's license or ability to obtain an ADL prior to employment.

No prior experience and/or training required. VOS will train the right individual. This is an exciting opportunity with a flexible schedule.

If interested in applying, please contact the office for a VOS application or send an email to [tc.sol@kawerak.org](mailto:tc.sol@kawerak.org) and an application will be emailed to you.

Please contact Deilah Johnson at 907-434-6737 for more details and questions.
