

Village of Solomon Thermal Imaging Checklist

INSTRUCTIONS: USE THIS CHECKLIST TO TAKE PHOTOS OF EACH ITEM. NOTICE THE RANGE IN COLORS FROM BLUES TO RED W/TEMPERATURE READING AND LIST THE AREAS OF CONCERN IN THE NOTES SECTION

Building Envelope

ROOF

Take photos of roof from as many angles as you can

Notes:

____ EXTERIOR DOORS All doors that create an opening between the exterior and interior

Notes:

____ WINDOWS

Notes:

WASHER/DRYER

Your dryer must be connected to the exterior to allow cooling/exhaust. Where does the vent bridge from interior/exterior?

Notes:

HEATING SOURCE

What is your heating source?

Check for areas where the heating elements are on, if/where they are working the same as well as if they bridge through the ceiling (i.e. chimney stack) or exterior walls.

Notes:

INTERIOR

Locate your breaker panel and take a photo with the imaging device.

Notes:

___ OF CEILING FIXTURES- ceiling lights, fans, vents

Notes:

___ OF OUTLETS

Check every room for outlets and take photos of each one

Notes:

___ OF LIGHT SWITCHES

Take a photo of each light switch and/or electrical switch in the dwelling.

Notes:

___ OF ATTIC ACCESS

Take notes and photos of access from the interior to the attic space

Notes:

___ OF CRAWL SPACE ACCESS POINTS

If you have a crawl space, take photos of areas of access to crawl space

Notes:

___ OF APPLIANCES (FRIDGE/EXTRA FREEZER/DISHWASHER/OVEN/STOVE/MICROWAVE)

Take photos of each appliance. Specifically, the electrical portions typically behind if you can. Photos of the electrical plug connecting to the appliance and another photo plugged into the socket.

Notes:

___ OF SINKS

Below each sink, are pipes linking to the interior walls. Take photos of each pipe/linkage as well as the connection from the pipe to the wall

Notes:

___ OF TOILETS

Take photos of each 'behind the scenes' of the toilet. This would include all the plumbing to which the toilet is pulling energy and have access to the interior wall system

Notes:

GARAGE DOORS/ARCTIC ENTRY WAY DOORS

___ OF GARAGE DOORS This includes the exterior garage door and interior door to access garage door

Notes:

___ OF ARCTIC ENTRY WAY DOORS – This includes interior doors accessing the exterior door

Notes:
